DECLARATION OF VALUES OF PERSONAL AND HOUSEHOLD EFFECTS TO BE COVERED This form is not an insurance certificate. Insurance must be issued by your agent for coverage to be in effect. Please contact your agent for a copy of the insurance certificate.

- 1. INSURANCE WILL ONLY COVER ITEMS LISTED AND VALUED ON THIS FORM. The terms and conditions of the insurance certificate, including exclusions, are noted on the last page of this form.
- Miscellaneous items valued at under USD\$500.00 may be grouped together. In the event of a claim, grouped items will be averaged. HIGH VALUE ITEMS VALUED AT OVER USD\$500.00 PER ITEM OR SET MUST BE SPECIFICALLY DECLARED AND VALUED. Failure to comply will limit recovery to a maximum of USD\$500.00 per item or set.
- 3. You should be aware of the fact that the replacement value of your goods at the final destination might be higher than at origin. Insure your shipment accordingly as it will be co-insured if adequate protection has not been secured. ALL ITEMS IN THE SHIPMENT MUST BE INSURED. Any policy that covers only a limited number of items in the shipment may be subject to rejection, co-insurance or an average will apply.
- 4. Do not list jewelry, cash, watches, stamps, negotiable instruments or items of a similar nature as they are excluded from coverage. Additional exclusions are noted on the last page of this form.
- 5. No one item and/or set can be more than 50% of the total insured value.
- 6. Use of a separate valued inventory is acceptable to the underwriters. If you have completed another inventory, sign and date this form and attach your personal list.
- 7. If a particular item is not shown on this form, please add it to either a blank space in the appropriate section or to Section U, Miscellaneous. Attach separate sheets if necessary. (Rev: 12/2022)

If underwriters replace, make a total loss payment or pay the insured amount as shown on the valued inventory for a damaged article, they, at their option, have the right to salvage the damaged article. The insurance company reserves the right to inspect and verify all reported damages and to require substantiation of any claimed amounts, values of items claimed or proof of ownership.

Coverage includes 90 days storage at origin and/or destination within an approved warehouse. Mini storages, self-lock areas, garages and other like facilities are not considered approved warehouses. Should the storage period exceed 90 days, the assured or the assured's agent must promptly notify I.T.I. of the delay and pay an additional premium.

Pictures and professional estimates are required for damaged items. Estimate fees are not covered. The disposal or additional transportation of any damaged item(s) is prohibited unless approval has been obtained from I.T.I. or your claim has been completed. All claim payments, minus any applicable deductible, will be made in U.S. Dollars and will be based on the exchange rate in effect at the time the shipment is declared to I.T.I. The claim settlement will be the lesser of repair costs, replacement costs, or as stated on the valuation form. Underwriters will not pay more than 50% of the insured value for repairs and/or loss of value.
